

Rules for the Tournament

The 2023 USGA Rules of Golf will govern play with the following additions:

1. Format for play will be a Captain's Choice.
2. Men 65 years of age and older will play from the gold tees.
3. Men 64 years of age and younger will play from the white tees.
4. Ladies will play from the red tees.
5. After a drive is selected, the ball may be lifted, cleaned, and placed within six (6) inches of where it originally lay, no nearer to the hole, through the green. NOTE: Through the green does not include hazards.
6. Partners may place their ball within one club length of the ball in play, no nearer the hole, through the green.
7. A ball played from a hazard must be played as it lies; partners may place the ball within the margin of the hazard, within one club length of the ball in play, no nearer to the hole.
8. Each player will have the use of one mulligan and may use it at any point on the golf course. Once a mulligan is played, it becomes that player's ball in play.
9. Each player will have the use of one ladies tee. Ladies will use their ladies tee by advancing twenty steps beyond their original tee.
10. Shots played as mulligans or as the result of the ladies tees may not be used in the special events. (Closest to pin and longest drive)
11. Ties will be broken by a match of scorecards on a hole drawn at random after play is complete.
