

# WALK OF HONOR

## Brick Paver Project at Southeastern Health

The beautiful brick area by the bed tower and parking deck provides an opportunity to remember loved ones, honor a friend or caregiver, say thank you and celebrate life. With a gift of \$100 you can dedicate a personalized engraved brick, creating a permanent legacy and beautiful tribute in honor or memory of someone that holds a special place in your heart. This area can be viewed by patients, families, friends, or visitors, of Southeastern Health. Your support is greatly appreciated.
